Performance Coaching

IFAC and coaching at elite level

IFAC & the Elite Athlete

There is a fantastic line up of speakers organised for IFAC 2011: with some of the most internationally renowned performance and coaching experts presenting a variety of practical workshops, technical clinics, seminars and keynote speeches.

With less than one year to London 2012 and less than three years to Glasgow 2014, IFAC can help equip you with the tools to coach athletes on to success at major championships. There are a number of practical workshops and technical clinics, which deal with performance at elite level as well as the step up to elite.

There are a whole host of seminars and keynote speeches focusing on the competition element of performance and the preparation for major championships as well as performing well on the world stage.

You design your IFAC programme to suit your coaching needs. With Glasgow 2014 fast approach, let IFAC equip you with the tools to make sure your athlete is on track for 2014!
